SW FEE SCHEDULE*

Effective May 5, 2014

Revised August 17, 2016

APPLICATION FEES

Please note that Storm Water has an accumulative effect; if you have done a previous project that had impervious coverage after May 5, 2014 it will be added to your new project and can possibly send you into a new "category". Please call the Zoning Officer Joe Chrisman at 610-721-2561 if you have any questions.

Storm Water Exemption	(1,000 sf and under)	\$ 25.00
Small Project	(1001 sf to 4,999 sf)	\$150.00
Large Project	(5,000 sf and over)	\$ 300.00

ESCROW

The escrow monies are put into the Storm Water Clearing account until the project is completed. After your review is complete whatever was not spent on engineering fees will be returned to you. If the bills go above and beyond the escrow fee you will be invoiced. Any questions about this procedure please call Carmen at 717-529-2570

Small Project	\$500.00
Large Project	\$ 1,000.00

Two separate checks must be submitted for the Application Fee and Escrow. Both are payable to Colerain Township and must be included with the application.
